3 Tender must be accompanied by a deposit of Rs. 450 in cash as earnest money and be superscribed "Tender for constructing of Primary Boys' School at Periyapatna Pete" in default of which tender will be rejected.

4 Tender must be based on percentage basis taking estimate as a whole and not on individual items, *i.e.*, at percentage less or more than or at estimated rates. In case of non-tendered items, usual schedule rate or rates as per data will be allowed at the same conditions. He must be prepared to make use of the materials available or materials supplied departmentally and, in either case, the cost there of being recovered from his bills.

5 The final acceptance of any tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender. The name of the successful contractor will be notified on the Notice Board of the Division Office and intimated to him.

6 Within eight days after this, he should go over to the Division Office to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited.

7 The rejected tenderers should apply and get refund of their earnest money.

8 In matters of all disputes about rates, measurements, quantity and quality of works, etc., and in all other disputes of any kind, the decision of the Executive Engineer, will be final and legally binding.
